When do I use AblePay?

Providers currently accepting AblePay include the St. Luke’s University Health Network, Lehigh Valley Health Network (LVHN), Coordinated Health, Grand View Health, Penn Medicine, Main Line Health, and Penn State Health (all hospitals and employed doctors in the physician groups). AblePay is also having success in getting discounts for their members at other providers throughout the country – try and use the card everywhere!

How do I use AblePay?

Show your AblePay card along with your insurance card to medical providers. They will process your AblePay card like secondary insurance. After your service is complete and your insurance company processes your claim, your provider will bill AblePay. You will get an email from AblePay notifying you that we received your bill and the amount you owe (after your insurance has paid their portion). You will have 5 days to decide if you would like to change your payment method and terms to one of the options below. If you do nothing, after 5 days the first payment will be pulled from your default payment method based on the term you originally chose.

Savings example:

You have a \$500 medical bill at St. Luke’s or LVHN (both providers currently accepting AblePay). You pay AblePay \$435, save \$65, while the full \$500 goes toward your deductible and is satisfied at the provider! **Have an existing bill? Contact AblePay to see if they can help!**
